The Opportunity

Why now is the right moment

Market context

The **B2B SaaS** presentation market is growing at **34% YoY**.

- Remote-first teams need async-friendly formats
- **AI tooling** is reducing production costs
- Buyers expect polished decks at every touchpoint

> **Key insight:** 78% of lost deals cite poor presentation quality as a factor.

What we're building next

Three pillars for H2:

- **Distribute** — native LinkedIn and Notion exports
- **Collaborate** — real-time co-editing for teams
- **Measure** — slide-level analytics and engagement tracking
